

Renad Albalawi

Front-End Developer / IT Support

 +966 563 233 374  rendaziz84@gmail.com  [Renad-Albalawi](#)  Saudi Arabia

SUMMARY

As an IT graduate with a Bachelor's in Information Technology and a Diploma in Network Systems, I possess strong technical and problem-solving skills. I am skilled in system administration, IT security, and technical support with hands-on project experience. Certified in networking, cybersecurity, and programming, I bring both academic and practical expertise. Adaptable and collaborative, I excel in dynamic environments that require precision and teamwork.

EXPERIENCE

King Fahad Armed Forces Hospital

Information Technology Intern | August 2024 – December 2024.
